

THE DAILY APPEAL

STATE PRINTING.—One hundred copies of the Senate Journal have been received by the Secretary of State. No copies of the laws have yet come to hand at the Secretary's office.

IN JUSTICE COURT, before L. C. McKeeby, yesterday, the case of the State of Nevada, R. R. Parkinson complainant vs. John Driesbach, defendant, was tried before a jury of four persons. The jury rendered a verdict of Not Guilty.

PERSONAL.—Mr. Griffith, who acted as Deputy Indian Agent while Dwight held the Agency, arrived here yesterday—as he says—“from Loney way of Salt Lake City.” Indeed, he has had a long ride. He went direct to Salt Lake, last Spring, on horseback, and by the same means of conveyance returned westward as far as Grubbs Springs, where he turned off for Pahrnagat. In coming in from there he has finished “the grand rounds” and got into the white settlements by way of Fort Churchill. He will accept our thanks for a beautiful specimen of “moss rock” from Loney.

COMPLIMENTARY TO THE JEWS.—A Judge of one of the old Virginia Courts, bears the following flattering testimony to the good behavior of the Jews:

“I was Commonwealth's Attorney of the city of Richmond for twenty-one years, and in that long interval I prosecuted only three Jews, and two of them were acquitted, there being no evidence to sustain the charges. During my fourteen years of service as a Magistrate, one Jew was before me for trial and he was acquitted. In all the long interval I do not remember having received an application for public charity from any individual of either sex of any age belonging to that faith. And, so far as I am aware, no Jewish child has ever received the benefits of our free schools, for which their parents, without a murmur, pay their taxes.”

EXAMINER ON THE CALL.—The Examiner of Monday says:

The little morning Squealer felicitates itself upon the company it has fallen into and really talks as though it intended to make its bed hereafter with its new confederates. It says the *Independent Press* of the State now consists of itself, *Alta*, *Bulletin* and *Union*, and “bloviates” much on the proud position they occupy—all because they agree in fighting little George. The *Call* has been so much like the Irishman's flea that we are glad to see it fix down upon a point to stay. And it has been an Ishmaelite so long, we are rejoiced to find it arraying itself friendly with anybody, though we do not much admire the company it has chosen, but it is better to be something than nothing.

CHARGE D'AFFAIRES AT VIENNA.—Says the *Washington Chronicle* of May 29th:

John Hay, Esq., formerly Private Secretary of President Lincoln, has been appointed Charge d'Affaires at Vienna, Austria, to fill the vacancy caused by the resignation of Mr. Motley.

NOTICE.—We have the best Warehouse in the State, it being absolutely fire-proof, and are now prepared to receive a limited amount of Merchandise, Flour or Barley on storage at reasonable rates. All goods delivered in as good order as when received.

IN THE DISTRICT COURT, 2D
Judicial District, Douglas County, Nevada.—In the matter of the estate of N. L. HAMILTON, deceased.—It appearing to S. H. Wright, Judge of said Judicial District Court of said county, by the petition presented and filed by K. N. ALLEN, Administrator of the estate of N. L. HAMILTON, deceased, praying for an order to sell real estate, that it is necessary to sell the whole of the real estate to pay the debts outstanding against the deceased and the expenses and charges of the administration, it is therefore ordered by me that all persons interested in said estate be and appear before me.

The Fifth day of August, A. D. 1867,
at 12 o'clock M., at the Court House in said county, at the Court Room, in the town of Genoa, to show cause, if any they can, why an order should not be granted to said Administrator to sell said estate of deceased, and that a copy of this order be published at least four weeks successively in the *Daily Carson Appeal*, a newspaper printed and published in Carson City, Ormsby County, State of Nevada.

Done this 10th day of June, A. D. 1867, at
S. H. WRIGHT,
District Judge.

CERTIFICATE OF RECORD.—State of Nevada, County of Douglas, ss.—second Judicial District Court.—I, Stephen A. Kinsey, Clerk of the 2d Judicial District Court of Douglas County, State of Nevada, do hereby certify that the above and foregoing is a full, true and correct copy of the original order made in the matter of the estate of N. L. Hamilton, deceased, which now remains on file and of record in my office at Genoa, in said County and State.

In testimony whereof I have hereunto set my hand and affixed the Seal of said Court, this 20th day of June, A. D. 1867.
je23-24 STEPHEN A. KINSEY, Clerk.

S. T. 1860-X.

Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try the celebrated PLANTATION BITTERS, which are now recommended by the highest medical authorities, and warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure, and must supersede all other tonics where a healthy, gentle stimulant is required.

They purify, strengthen and invigorate. They create a healthy appetite. They are an antidote to change of water and diet. They strengthen the system and enliven the mind. They prevent miasmatic and intermittent fevers. They purify the breath and acidity of the stomach. They cure Dyspepsia and Constipation. They cure Liver Complaint and Nervous Headache.

They make the weak strong, the languid briliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya bark, wintergreen, sassafras, roots and herbs, all preserved in perfectly pure St. Croix rum. For particulars, see circulars and testimonials around each bottle.

Beware of impostors. Examine every bottle. See that it has our private U. S. stamp unimpaired over the cork, with plantation scene, and our signature in a fine steel plate side label. See that our bottle is not refilled with spurious and deleterious stuff. Any person pretending to sell Plantation Bitters by the gallon or bulk is an impostor. Any person imitating this bottle, or selling any other material therein, whether called Plantation Bitters or not, is a criminal under the U. S. Law, and will be so prosecuted by us. The demand for Drake's Plantation Bitters, from ladies, clergymen, merchants, &c., is incredible. The simple trial of a bottle is the evidence we present of their worth and superiority. They are sold by all respectable druggists, grocers, physicians, hotels, saloons, steamboats and country stores.
